

Health Awareness Camp 21.12.2021

A health awareness camp in Furkating Tea Garden area of Golaghat district was organized on 21.12.2021 by NSS, Red Ribbon Club and Youth Red Cross Unit of Furkating College in collaboration with Kamarbandha Ali BPHC. Bichita Urang of 3rd semester major student of Education Department was given the responsibility to gather the villagers in the programme. Dr. Dipankar Saikia and Mr. Gogoi were invited and took part in the programme. Mr. Simanta Poddar, Vice Principal, Dr. Amulya Kr. Borah, HoD, Department of Political Science were also accompanied in the programme along with the volunteers of the college. The programme commenced with a welcome note and then presented a Gamosa as a token of respect and appreciation to the dignitaries. Followed by this Dr. Saikia started his speech by emphasizing the necessity of maintaining physical health and hygiene. He focused on the importance of washing hands thoroughly in order to prevent diseases and infection. It is surprised to good to learn from the programme that the area is 100% fully vaccinated from the covid-19 vaccine. The resource person appreciated for their generosity and cooperation. However, they were not aware about the recent ancephalities vaccination drive provided by the Government. Therefore, they are advised to take immediately from the local hospital. Mr. Gogoi also sensitized about the importance of maintaining hygiene in order to prevent from diseases like malaria, ammonia, dangue, ancephalitis etc. He highlighted the do's and dont's in order to prevent from such diseases.

The programme ended beautifully with a note of vote of thanks by Dr. Swarna Prava Nath, Programme Officer of NSS Unit. The villagers patiently and responded well to it.
