In collaboration with the Scholars Academy of Golaghat, Furkating College Information and Career Guidance Cell organised a Career Counseling Programme on December 22, 2022, at 11 a.m. in the college auditorium. Mr. Bibhuti Saikia was graciously invited to participate in the programme as the resource person. He discussed with the students about careers and the information linked to them while also offering many helpful suggestions. Instead, he has taught them many methods to communicate. More than 200 students from various departments took part in the programme, which was obviously organised with the aim of raising vocational awareness. The students interacted with him in the conclusion to clarify remaining misconceptions and career-related misunderstandings. Undoubtedly, the program was very much helpful to the students.
